About me

Maggie was born in Pontypridd and worked for thirty years as a school cook at Ysgol Sant Baruc. She was married to Tom, who died in 2019, and she still misses him every day. Her daughter Susan visits on Tuesdays and Saturdays; her son Gareth lives in Bristol and phones on Sunday evenings.

Maggie loves her cat, Pickles, and gets anxious if Pickles is not fed before 8am. She enjoys the Barry Male Voice Choir concerts at St Nicholas Church and likes to talk about her time at Ysgol Sant Baruc.

Health

Type 2 diabetes managed with Metformin 500mg twice daily. Mild vascular dementia diagnosed in 2023. Uses a walking frame indoors. At risk of falls, especially at night.

Support needed

Morning call (45 minutes): support with personal care, prompt medication, prepare breakfast. Evening call (30 minutes): prepare a light meal, prompt medication, help to bed. Mrs Jones prefers female carers and likes her tea with one sugar.

If Maggie seems unwell, contact Susan first, then Castle View Surgery on 01446 700 350. Key safe code is held by the office.

Plan agreed with Margaret and Susan Price by Rhian Morgan, care coordinator, on 2 September 2026.
