

Incident report

Date and time 23 September 2026, 07:40
Location Room 14, Bryn Awel Residential Home, Penarth
Person involved Joan Whitfield (Room 14)
Reported by Kelly Hughes, senior carer
Witness Priya Nair, night carer

What happened

During the morning check Kelly found Joan on the floor beside her bed. Joan said she had tried to get to the bathroom without her frame. She had a small graze on her left elbow and complained of pain in her right hip.

Priya confirmed that at the 05:00 check Mrs Whitfield was asleep and her call bell was in reach. The sensor mat had been moved under the chair, and it is not known who moved it.

Actions taken

111 called at 07:52. Paramedics attended and took Joan to University Hospital of Wales for an X-ray. Her son, Mark Whitfield, was informed by phone at 08:15. Manager on duty: Andrew Collins.
