Re: Mr Kenneth Bowen, DOB 30/06/1944, NHS No 611 969 2495

4 Station Terrace, Llantwit Major, CF61 1ST

Dear colleague, I saw Mr Bowen today with his wife, Glenys. His COPD has been stable and his inhaler technique is good. He is now using oxygen at night only. Please encourage him to keep up the breathing exercises taught by the respiratory nurse, Sarah Lewis.

He would benefit from support with shopping and a daily welfare check.

Yours sincerely, Dr Helen Parry
